

# Emergency Kit

Hygie Emergency Kit has been especially designed to allow your guests to have at their disposal some essentials products during water shortage. Hygienic and at a low cost, this kit contain 2 Wash gloves and 2 Hygienic Covers Toilet Bowl Liner.

## Wash gloves

Hygie pre-moistened glove saturated with a protective washing lotion that is dermatologically tested to be free of known allergens. This is the perfect solution in case of lack of water.

### BENEFITS

- Waterless bathing
- Single-use
- Safe for all skin types

## Hygienic Covers Toilet Bowl Liner

The single-use Hygienic Cover Toilet Bowl Liner with a super-absorbent pad is placed directly over the bowl and under the seat of the toilet, thus providing a clean, dry toilet. It is useful in case of sewage or other water management issues, or when water is simply not available. The super-absorbent pad turns body fluid into a gel within seconds.

### BENEFITS

- Does not require the use of water
- Hygienic, single-use
- Protects all types of toilet bowls
- Keeps toilet clean
