Round Open Front Seat without cover

Hy21® Bedpan Seat with holes

Pail with holes

Hy21® Bedpan Seat bottomless

Accessories plate with Hygienic Covers dispenser and disinfecting wipe receptacle holder

Cleaning/Sterilization

The Hygie Alu-Classic® Commode Chair should be thoroughly cleaned after each use. For cleaning commode chair, it is recommended to use detergent or enzymatic product. A product that combines the properties of detergent and disinfectant, which can perform both operations simultaneously, is preferable therefore reducing cleaning time. We do not recommend the use of cart washers for washing/disinfecting the Hygie Alu-Classic® Commode Chair.

Wheels: The wheels are not designed to withstand a temperature higher than 40°C or 104°F.

Bedpan Seat and Pail: The Bedpan Seat and Pail can be cleaned in a bedpan washer without exceeding the temperature of 91°C or 196°F.

See cleaning guidelines for more details.

Benefits

Ultra-light, sturdy and stable frame. Rotates freely on itself.

Goes over all types of toilets. Single patient seats available.
